REMARKS

Upon the careful review of recently issued U.S. Patent 6,886,896, the above-listed typographical and grammatical errors were noted. Patentees prepared this request for correction to the claims in order to correct these typographical and grammatical errors. These mistakes are of a clerical nature and of minor character, and they occurred in good faith. Thus, the correction of these mistakes does not constitute new matter and does not make necessary a reexamination of the patent. Further, the requested changes to the claims do not change the scope of Patentee's rights granted under this patent.

Since some of the above-disclosed mistakes do not appear to be the fault of the PTO, Patentee is submitting herewith a check in the amount of \$100.00 pursuant to 37 CFR 1.20(a) to cover the cost of this Certificate of Correction. Please charge Deposit Account No. 02-1818 for any insufficiency of payment or credit for any overpayment.

Patentees respectfully solicit the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,

By: _____
